Name	Syed Owais Ali	Roll No.CS-191037

PROJECT DETAILS

LANGUAGE/TOOLS/Framework:

We are going to use C++ Language.

MOTIVATION:

We choose a Game (Tic TAC Toe) because it's our dream to be a game developer in future.

RELEVANCE:

This application will be useful for the workers who work day night this game will be useful for them to get out of the stress.
